

# *THREE IN ONE CONCEPTS*

## *A Tribute To Gordon Stokes*

*Gordon Stokes (1929-2006)*

On the morning of Sunday August 13th, 2006, Gordon Stokes died peacefully in his sleep while attending a family reunion in Utah with his son Michael.

Gordon's wish was for there to be no memorial service. In lieu of flowers or cards, we ask that you honor Gordon by honoring his work. The best way to show your love and support is to continue your education of Three In One Concepts by attending programs in Burbank -- where it all began.

Programs will continue as scheduled in September, and you can honor Gordon's memory by staying updated and spreading the word about the work. If you teach, we ask that you continue teaching and helping Three In One Concepts to grow worldwide, as Gordon would have wanted.

The best way to remember Gordon is to fulfill his wishes by helping to make Three In One Concepts a household name. This was Gordon's dream and it continues to be ours.
