eTouch for Health Level 4 Exercises and Quizzes Required for Review

There is one quiz and one class evaluation which you must complete and then submit for review using PDF for this level. You are expected to project *eTouch* onto either a large screen TV or using a digital projector and know basic technical terms.

Save files with your name and as much identifying information, as possible, ex:

yourname_etfh_4_quiz.pdf

Submit for review to:

submit@etchforhealth.com

eTFH Level 4 Review Requirements

_____ **Exercise - *The Technical Revolution* Exercise, page 4-2 and 4-3**

Connect your computer to a large screen projector or large monitor and photograph eTouch on your computer and on large screen in same photograph
